Village Board Business

Motion Trustee Balcaen and Seconded by Trustee Lancy to approve claims totaling \$6,114.85 (which does not include Frontier Communications for \$159.57) which have to be paid prior to the next Village Board Meeting on January 8, 2014, all were in favor and carried.

Mayor Cahill said he sent an email to all the Trustees regarding Solar Panels. He said moving forward into the New Year he would like to discuss possibly installing Solar Panels at the Sewage Treatment Plant to reduce energy costs. Mayor Cahill said he received the information from Matt Chatfield and suggested all Trustees read up on this topic which will be on the agenda for the next Workshop on February 3, 2014. Mayor Cahill said the Town of Williamson did install Solar Panels and he will contact the Supervisor of the Town to obtain more information on the subject. Mayor Cahill also said that Matt Chatfield set up a meeting with the representative from Larson Engineers to discuss and obtain more solar panel information for the workshop.

The Village Board had a discussion with Will Barham, Code Enforcement Officer on Proposed Temporary Fence Ordinance. Mayor Cahill said currently there is no verbiage regarding temporary fences or snow fences in the Village Code so Will Barham made suggestive changes to the current Fence Code #175-65. The issues included; the definition of a temporary fence, the length of time allowed, proximity to the property line, and maintenance. The Village Board perused the changes and decided more discussion was needed.

Adjournment

Motion Trustee Balcaen and Seconded by Trustee Lancy, to adjourn the meeting at 7:55 pm; all were in favor and carried.

Josette Amalfi, Village Clerk

John J. Cahill, Mayor
